The President opened the meeting and explained that this meeting was for the purpose of accepting or rejecting proposed changes to the constitution. The proposed changes were recommended by Timothy Munnings, Director of Sports at the Ministry of Youth, Sports and Culture. They were recommended when the constitution was submitted to the Ministry to register the association along with other documents such as the business license, VAT certificate and executive members information. There were also a few grammatical errors that were corrected, along with the edition of coaches and clubs to become members of the Association.

The proposed changes/corrections were read out for all to hear and everyone agreed to all changes verbally as they were read out one at a time.

It was also noted that as we grow further changes maybe required and that all of our documents including the Articles of Association, the Memorandum of Association and the Constitution should be looked at in the near future with a legal advisor and propose any changes that may be necessary.

The meeting ended at 5:45pm
